SEPTEMBER 2020 NOTICE

As a result of the coronavirus pandemic, no Field Club events have taken place since the beginning of March and as a result the end of the Winter Programme and the whole of the Summer Programme had to be cancelled. The posting of the 2019 Proceedings to members, was also put on hold.

Normally at this time of the year we would be sending out details of our Winter Programme but because of present and possible future constraints due to covid 19 infections, the Field Club committee has made the following decisions:

- **There will be no Winter Programme of events this year**
- **The AGM will not be held in January as is usually the case**
- **Paid up members for 2020 will not be required to pay a membership subscription for 2021**
- **The possibility of having a Summer Programme of events in 2021 will be reviewed in the New Year**

Information can also be found on the Club's website at www.dyserth.com
